- Lambeth House Senior Living Center Concert Series
- West Jefferson Hospital Fitness Center's Grand Opening Ceremony
- Pachyderm Club Business Function
- Multiple appearances at local New Orleans area nursing homes
- Multiple small venue Civic Functions

WHISTLING ASPIRATIONS AND VISIONS

To introduce melodic whistling to the general public as a legitimate musical art form; which includes producing and marketing a CD, live stage performances and television/screen appearances . One of my goals is to tour with the USO where I feel I can inspire servicemen/women to use whistling as an emotionally uplifting tool.
